

Professor Jen-Hao Chen

Professor

Department of Sociology and Department of Psychology
National Chengchi University

Biography

Jen-Hao Chen is currently a Professor in the Department of Sociology and the Department of Psychology at National Chengchi University (NCCU), Taiwan, where he also holds the Yushan Faculty Fellowship. Before joining NCCU, he was on the faculty at the University of Missouri and Rutgers University. He is a sociologist whose research focuses on the evolving nature of social and familial relationships and how these interactions affect health and well-being. He also examines health disparities, with a focus on minority populations, over the life course. His work has been published in journals such as the *Journal of Gerontology: Psychological and Social Sciences*, *Journal of Health and Social Behaviour*, and *Social Science & Medicine*. He currently serves as an Associate Editor for *Population Research and Policy Review* and the *European Journal of Ageing*.
