# Bachelor of Social Sciences

社會科學學士

Students in this BSocSc curriculum may choose to major in one of the five core disciplines: Computational Social Science^, Geography, Politics and Public Administration, Social Policy and Social Development, and Sociology. Students may also opt for a double major in second options as well as majors offered by other Faculties of the University. Students can choose to combine a major with one or two minors.

The BSocSc curriculum requires all students, as a condition of graduation, to undertake off-campus learning under the twin themes: Social Innovation and Global Citizenship.

1st Majors*

Students are offered great flexibility to explore their academic interests during the first year of studies by taking different social sciences introductory courses. Starting from the second year of studies, students may declare one of the following five majors as their first major and further study on the selected discipline.
