

Mr. Allen Suen
Statistician
Census and Statistics Department
(currently on secondment to the Labour and Welfare Bureau)

Allen Suen is a Statistician at the Census and Statistics Department (C&SD), and is currently on secondment to the Labour and Welfare Bureau (LWB). He provides statistical support to LWB mainly in the area of manpower-related policy planning and formulation, including the 2023 Manpower Projection (MP). He holds a BSc and an MStat from The University of Hong Kong (HKU). Before joining C&SD, he used to serve as a full-time research assistant at the School of Nursing, HKU and participated in various clinical research projects and community campaigns on smoking cessation.
