

**Professor Jonathan Zhu**

Chair Professor, Department of Data Science
Director, Centre for Communication Research
City University of Hong Kong

Biography

Professor Jonathan Zhu is a Chair Professor of Computational Social Science with a joint-appointment between Department of Media and Communication and Department of Data Science, City University of Hong Kong (CityU). Prior to joining the CityU, he was a tenured faculty member of Communication Sciences at the University of Connecticut. He received a BA/MA from Fudan University and PhD from Indiana University-Bloomington.

His current research focuses on developing, using, and evaluating AI technologies for social scientists. He has published in leading journals in various fields, including communication, political science, sociology, computer science, information science, and medical informatics. He is an elected Fellow of the International Communication Association (ICA).
