

Kenneth Wong
Sales Director of Strategic Enterprise and Public Sector
Google Hong Kong

Kenneth Wong is the Sales Director of Strategic Enterprise and Public Sector at Google Hong Kong, where he drives the adoption of Google Cloud and explores new opportunities in artificial intelligence. With over 20 years in the IT industry, he is a seasoned business development professional with a proven track record of exceeding performance targets and building strong customer relationships.

Previously, Wong held significant leadership positions at AWS and Microsoft, managing key business developments in Hong Kong and Taiwan.

He holds an Executive MBA and a Bachelor's in Electronic Engineering from The Chinese University of Hong Kong, along with a Master's in Electrical Engineering from the University of Southern California. He also earned a certification in Business Strategy from INSEAD and holds multiple technical certifications from AWS and Microsoft.
