

Marc Potenza

Stephen M. Southwick Professor of Psychiatry

Professor in the Child Study Center and of Neuroscience

Yale School of Medicine

Yale University

Marc Potenza is a board-certified psychiatrist with sub-specialty training and certification in addiction psychiatry. He has trained at Yale University receiving a combined BS/MS with Honors in Molecular Biochemistry and Biophysics and a PhD in Cell Biology, the latter concurrent with the MD through the Medical Scientist Training Program. He completed internship, psychiatric residency and addiction psychiatry fellowship training at Yale. Currently, he is a Professor of Psychiatry, Child Study and Neuroscience at the Yale University School of Medicine where he is Director of the Division on Addictions Research at Yale, the Center of Excellence in Gambling Research, the Yale Research Program on Impulsivity and Impulse Control Disorders, and the Women and Addictive Disorders Core of Women's Health Research at Yale. He is also a Senior Scientist at the Connecticut Council on Problem Gambling. He is on the editorial boards of fifteen journals (including editor-in-chief of Current Addiction Reports) and has received multiple national and international awards for excellence in research and clinical care. He has consulted to the Substance Abuse and Mental Health Services Administration, National Registry of Effective Programs, National Institutes of Health, American Psychiatric Association and World Health Organization on matters of addiction.
