

**Yuan-wei Yao**  
**Assistant Professor**  
**Department of Psychology**  
**Faculty of Social Sciences**  
**The University of Hong Kong**

Yuan-Wei Yao is an Assistant Professor at the Department of Psychology of The University of Hong Kong. He received his PhD from the Free University of Berlin and completed his postdoc training at The University Medical Center Hamburg-Eppendorf. His research focuses on the cognitive and neural mechanisms underlying decision-making alterations in different types of problematic usage of the internet (e.g., problematic social media use). He has employed various methods in his previous research, including behavioural experiments, computational modelling, and functional neuroimaging.
