

Chunhui REN
Assistant Professor
Department of Sociology and Social Policy
Lingnan University

REN Chunhui is an assistant professor in the Department of Sociology at Lingnan University. He received his PhD in urban planning from Ohio State University. Before coming to HK in 2023, he held academic appointments at multiple U.S. institutions. His research focuses on labor-market discrimination, homeownership, immigrant assimilation, and Chinese family dynamics, with publications in journals such as *Demography*, *Social Forces*, and *Urban Affairs Review*.
