Emilio Zagheni
Director, Max Planck Institute for Demographic Research (MPIDR)

Emilio Zagheni is Director of the Max Planck Institute for Demographic Research (MPIDR) and Affiliate Faculty of the Department of Sociology at the University of Washington, Seattle, where he served as Training Director of the Center for Studies in Demography and Ecology. He received his Ph.D. in Demography (2010) and M.A. in Statistics (2008) from U.C. Berkeley. Zagheni is currently the President of the European Association for Population Studies (EAPS). Previously he chaired the Digital Demography Panel of the International Union for the Scientific Study of Population (2015-2022), playing a key role in favoring innovation in population research through collaboration and exchange between demographers, statisticians, and computational scientists.
