

Jin Zhou
Assistant Professor
Department of Economics and Finance
City University of Hong Kong

Jin Zhou currently works at the Department of Economics and Finance at the City University of Hong Kong. Her primary fields are Applied Microeconomics, Applied Econometrics, and Development Economics. She currently focuses on research on one of the largest early childhood interventions in the world, the China REACH project, especially on understanding the child skill development process and designing and studying interventions aimed at accelerating the child learning process. She received her Ph.D. in economics from the University of Western Ontario and worked as a postdoctoral scholar at the University of Chicago. Her research work has been published in the Journal of Political Economy, Journal of Labor Economics, Journal of Econometrics, Review Economic Dynamics, and Pediatrics.
