The AI and Suicide Prevention: Challenges and Opportunities

Biography of Speaker

Professor Paul S.F. Yip
Professor, Chair of Population Health
Director, HKJC Centre for Suicide Research and Prevention
The University of Hong Kong

Professor Paul S. F. Yip is the Chair Professor (Population Health) at the Department of Social Work and Social Administration, and the Director of the HKJC Centre for Suicide Research and Prevention at the University of Hong Kong. He is a member of the Advisory Committee on Mental Health of the Health Bureau of the Hong Kong SAR Government, a honorary advisor and a chair of the research committee of the Family Planning Association of Hong Kong, a board member of the Unicef (Hong Kong) and Suicide Prevention Services. He also holds editorial board memberships at internationally-recognised journals like Social Science & Medicine and Crisis. He has been awarded a medal of honor (MH) by the Hong Kong SAR Government for his service to promoting mental wellness amongst youth in Hong Kong.

Professor Yip's research expertise lies in Population Health Studies, and Suicide Research and Prevention. He has served as the Principal Investigator on a number of funded research projects supported by major funding bodies like The Hong Kong Jockey Club Charities Trust and The Government of the Hong Kong Special Administrative Region.
