Bio

Ping Li is Chair Professor of Psychology and Cognitive Science, Yan Ai Foundation Professor of Social Science, and Dean of the School of Humanities and Social Science at The Hong Kong University of Science and Technology. He previously held the Sin Wai Kin Foundation Professorship in Humanities and Technology at the Hong Kong Polytechnic University, and served as Professor of Psychology, Linguistics, and Information Sciences at the Pennsylvania State University. Li is an elected Fellow of the American Association for the Advancement of Science, the Psychonomic Society, the Cognitive Science Society, as well as Editor-in-Chief of *Brain and Language* and Senior Editor of *Cognitive Science*. His research uses emerging technologies and cognitive neuroscience approaches to study the neuroplasticity and individual differences in both children and adults, aiming at understanding the relationships among language, culture, technology, and the brain. He has authored or co-authored more than 250 publications including articles in premier academic journals such as *PNAS*, *Neuron, Science Advances*, *Nature Human Behavior*, and *Nature Computational Science*.
